As a BCA student with a solid foundation in programming languages, I am eager to apply my academic knowledge and hands-on experience in software development. My goal is to contribute effectively to a dynamic team by developing innovative solutions and continuously enhancing my technical skills. I am particularly interested in roles that challenge my problem-solving abilities and allow me to work with emerging technologies to create impactful software applications.

Skills

- React.js/Next.js
- HTML5
- Tailwind CSS
- C
- C++
- JavaScript
- Java
- CSS3

Experience (Personal Projects)

JAN 2025 – FEB 2025

Personal Portfolio Website

It is my personal portfolio website about my skills in Software Development. It is based on **Next.js**, and **Tailwind CSS** for styling.
